

LOCAL AND PERSONAL

FIRST NATIONAL BANK ROBBED.

Burglars robbed the First National Bank of this place between midnight and day last Saturday morning, getting away with a quantity of small change carried in the outer compartment of the bank safe.

The robbery was discovered about seven-thirty by Cashier Horace Bradley when he opened up for the day's business. Entrance to the building was effected through a window in the rear of the building by means of cutting two of the iron bars and jimmying the window. Entrance into the vault was made near the south-east corner by picking a hole through the brick wall large enough for a man's body to pass through. Two acetylene gas tanks were brought up to the window and a hose laid from the tanks through the building into the vault and a hole burned into safe. It had evidently consumed some time, for the metal on the safe had not entirely cooled when found, the vault was still full of smoke, and gas was still escaping from one of the two tanks that had been abandoned outside the window.

Finger-print experts were summoned from San Antonio and were soon on the ground and a thorough search made for possible clues, but the deed seems to have been the work of experts in covering up their trail as well as in forcing their way into where money is kept.

Fortunately the damage and the money loss—amounting according to President John M. Finger's estimate to \$1,100.00—is fully covered by burglar insurance.

WILL MEDINA HOLD A RUN-OFF?

Medina County should do its part on the 15th in choosing between Milton H. West and Gordon Griffin for Democratic nominees for Congress. But if she does somebody must dig up some expense money. As County Chairman, this writer secured nine dollars from the District Chairman, one dollar for each of the nine names on the ticket, and two candidate contributed a dollar each, making \$11.00 in all. The lowest quotation we could get from other sources for furnishing the supplies and tickets was \$23.00. This same writer as a printer furnished the supplies himself and according to the other fellow's figures holds the bag to the tune of \$12.00.

There is no money on hand for the expense of holding the run-off and the candidates cannot be assessed any more.

If you want to hold another election on the 15th, see Judge Haass, Secretary of the Committee, and do something.

FOUR-H STOCK SHOW.

County Agent C. M. Merritt informs us that the 4-H Club boys of Medina County will hold a Fat Stock Show at the Medina County Fair Grounds on March 18th. A prize list is being arranged for the winners, and the show will close with an auction sale of the animals. All live stock buyers and especially the butchers of Medina County are invited to attend and bid on the offerings.

Mr. Merritt is expecting some 30 or 40 baby beefs, weighing from 650 to 1100 pounds each; some 50 to 75 fat barrows; and a number of lambs to be offered. These animals are all Medina County products and are being fattened on Medina County grown feeds.

Messrs. A. L. Smith, Beef Cattle Specialist of the A. and M. Extension Service, and R. R. Lancaster, Southwest Texas District Extension Agent will be here to judge the entries in the show.

FARM LOANS AGAIN.

Farm seed and feed loans not to exceed \$300.00 to individual farmers are again available from the Reconstruction Finance Corporation on terms practically the same as last season. The same committee will have charge of the passing on and approving of loans locally as last year and President John M. Finger of the Committee informs us that he has the necessary blanks and is ready to receive applications.

The plan was explained and the machinery set in motion for distributing the loans at a District Meeting in San Antonio Tuesday. This meeting was attended by J. M. Finger, R. J. Noonan, S. A. Jungman, H. F. Buss, Chas. J. Schuehle, Bob Zerr, Henry Merriman and C. M. Merritt of this place.

These gentlemen can furnish detailed information to anyone seeking a loan from the funds.

MORE RELIEF FUNDS TO COME.

Chairman John M. Finger of the local Unemployment Relief Committee informs us that a loan of \$8,500 for relief work for March and April in Medina County has been recommended by the State authorities having charge of the work, and that the Federal authorities have passed on the state's allotment. This assures the employment being continued in the county, but he was without official notice of the amount of funds that will be available up to the time we went to press today.

For Rent—two unfurnished rooms. Gas and electricity. Call at Anvil Herald office or phone 127-3 rings.

TO THE PUBLIC

The above statement is self-explanatory. There is no danger to our local banks or their depositors. At worst only a few days inconvenience will be suffered, and all our public needs to do is to be patient

TO THE CITIZENSHIP OF MEDINA COUNTY.

We have just completed our campaign for Congress from this District, and while we were not successful in getting a sufficient number of votes to win, I am indeed grateful to the people of this county for the splendid support which I received. While of course I would have liked very much indeed to have been a winner, I feel so proud of the way that the people in the counties in which I am known voted for me that I am just as happy as any man could possibly be that did not attain his ultimate end.

It will be a physical impossibility for me in person to express my gratitude to the good people who supported me, but I do want each and every one of you to know that I do appreciate, not only your vote, but the support that you so loyally and unselfishly gave me without any hope of reward, and it will be my endeavor in the capacity of a private citizen to conduct myself in such a way that you will never have any cause to regret the action that you have taken. I have endeavored to conduct this campaign on a high plane and I have nothing but the kindest of feelings for everyone. If you supported me, I certainly appreciate it. If you did not, that is, and was, your privilege, and I hold ill will for no man.

THE PRIMARY ELECTION.

Above is a tabulation of the vote in Medina County in the Democratic Primary Election to select a nominee for the office of Congressman from the 15th Congressional District at a special election called for April 22nd. The vote in Medina County is notable for two things—the lightness of it, 4 boxes not even opening the polls; and the partiality for the "home

Under orders of the Governor of our State, who acted under advice of the officials of the Federal Reserve Bank and State Banking Department of the State of Texas, our banks have suspended the payment of all checks and withdrawals of deposits and our places of business have been closed for a period of five days. The order of the Governor being that all banks of this State be closed until and including the 7th of this month.

So far as our local banks were concerned no necessity existed for the act of the Governor, but the order is mandatory on all banks, hence we necessarily have to observe the same.

The order of the Governor may be seen in full in the daily papers of the 3rd of March.

LUNCHEON CLUB TO MEET ONCE A MONTH.

At the regular meeting of the Hondo Luncheon Club last Tuesday, it was voted to meet only once a month in future instead of weekly and the day was changed from Tuesdays to the second Wednesday of each month. This puts the Luncheon day on each Trades Day, making it easy to remember, and the luncheon will be served a little earlier than formerly.

At these luncheons an effort will be made to secure the attendance of all Hondo business and professional men, and the Club will function more closely with the Chamber of Commerce in all affairs for town improvements generally.

Next Wednesday will be the first luncheon under the new plan.

ST. PAUL'S LUTHERAN CHURCH.

Lent is a time for spiritual inventory. It offers an opportunity as no other church season to renew our faith and get back to the real essentials in that faith, namely the Cross of Christ.

The last words of any loved one are forever cherished. No last words are so full of meaning and filled with divine spirit as the last words of One who first loved and then spoke "Seven Last Words" is the series of sermons delivered each Wednesday night at 8 P. M. The second word will be the theme for next Wednesday night "Today shalt thou be with Me a Paradise." Appropriate music sung by the choir will help to make his service impressive. Come and hear your friends.

Next Sunday, March 5, there will be regular English service beginning at 10:30 A. M. and Sunday School and Bible Classes will meet at 9:15. Come in early and join our adult Bible Class.

The Luther League will hold its monthly meeting Sunday night. There will be no night service Sunday.

HIGH MEN IN PRIMARY

GORDON GRIFFIN.

YANCEY WINS DISTRICT BASKETBALL TOURNAMENT.

In the tournament held at the Medina County Fair gymnasium last week-end, the Yancey Tigers, coached by T. H. Roensch, won over Big Foot in the finals to clinch the championship of District 22. Yancey will meet Thomas Jefferson High School of San Antonio Friday night, March 3, for the bi-district championship and the right to play in the State Tournament to be held at Austin soon.

Drawings for the tournament were made at eleven o'clock Friday morning. Big Foot drew Comstock for the first game, but as Comstock did not come, Hondo and Big Foot played a practice game, Hondo winning handily, 36 to 24.

The results of the first round games played Saturday are as follows: Asherton 33, Leakey 35; Eagle Pass 38, Uvalde 26; Yancey 43, Crystal City 31. Asherton and Eagle Pass, highly touted teams from the Winter Garden, had been hoped to go to the finals by those who had seen them play previously. However, neither showed to advantage in the first round, Asherton barely nosing out Leakey in a hair-raising finish. Followers of the teams claimed they had an "off day".

The semi-finals Saturday morning saw Asherton have another bad day, Big Foot taking them 45 to 31. Miman, Big Foot center, played bang-up ball, and scored most of his teams points. The second semi-final game was the best of the tournament. The Eagle Pass Eagles hit their stride against Yancey, and they flashed the best passing attack ever seen in this section. Featuring Flores, diminutive but speedy forward, the Eagles zipped the ball down the court through the Tigers time and time again, but were not able to hit the basket with regularity. Coy Berry and Muennink were making their shots count, and the score saw-sawed back and forth. Failure of a substitute to report in the final minute of the game cost the Eagles a free shot, and Yancey made it good. Although points were scored on each side before the whistle blew, that point gave Yancey a tie game. The score stood 39 to 39 at the end of the regular playing period, and in the extra three minute play-off, Yancey put on the pressure and the Eagles faded out of the picture. The deciding goal was fired by Bob Muennink, young and diminutive substitute on the Yancey team. In the finals Saturday night, Yancey loafed through to an easy win, though a determined rally by Big Foot the last half threatened to wipe out Yancey's lead. The final score was Yancey 38, Big Foot 31.

Mike Williamson and Marville Gill, both of San Antonio, officiated all of the games in an excellent manner. After the tournament, they selected the following all-star team: First Team: Flores, Eagle Pass forward. C. Berry, Yancey, forward. Miman, Big Foot, center. Armstrong, Asherton, guard. Garza, Eagle Pass, guard.

Second Team: Muennink, Yancey, forward. Gibson, Asherton, forward. Hall, Crystal City, center. Staton, Crystal City, guard. Zuniga, Eagle Pass, guard. Honorable Mention: Saathoff, Yancey; Tomblin, Big Foot; Pederson, Asherton; McIntosh, Leakey; Valdez, Eagle Pass; McKenzie, Uvalde; Brice, Leakey; Davidson, Big Foot.

LADIES FREE.

Ladies will be admitted free when accompanied by one paid 25c admission to the Colonial this Friday and Saturday, March 3-4. The picture is to be "IF I HAD A MILLION", which has a cast of 15 of the best screen players. The author of this article has seen it and knows it to be a good picture. P. T. A. TO SPONSOR STYLE REVUE.

What promises to be one of the most amusing, hilarious and laugh-provoking entertainments ever to be sponsored by the local Parent-Teacher Association is scheduled for presentation next Friday night, March 10th, at 8 o'clock, in the High School auditorium. It will be riotous from the first act to the final curtain.

The presentation will take the form of a style revue, the feminine costumes of the vintage of 1900 and of more modern mode to be modeled by the young-men-about-town. These masculine mannequins will strike the comedy note which will reign throughout the program. Among the most popular models will be the dainty Robert Zuberbueller, modeling the lingerie grandmother used to wear; Wilfred Fohn, who will promenade in an evening dress that will enhance his dusky beauty; Homer Wilson, whose figure will lend its grace and charm to modern sports attire; Jack Droitecourt, petite and pretty, who will display the right beach apparel; Dr. John Henry Meyer, who will show how to be feminine though masculine in the frills and laces of an afternoon gown; and curly haired and diminutive Ralph de Montel, who will model a child's party frock in the approved French mode. Many other lovely models will be shown for the lovers of feminine attire, and will feature costumes that follow the clock. Other popular mannequins are Tom Laxson, brunette of the goddess type; Frank Rucker, red-haired, peaches-and-cream; M. L. McDowell, brunette flapper type; Glenn Fluker, statuette and golden-haired; Bru Miller, ashe blonde and charming; brown-eyed, blonde Clinton Jagge; big eyed, doll-faced Roy Grant, and many others famous for their pulchritude. The group has not been completed. Dr. O. B. Taylor as Master of Ceremonies will announce the models.

The Hondo Orchestra, conducted by Mr. Wm. Zimmer, will play the Overture, and will also play the promenade music.

In addition to the style revue, varied song and dance numbers are to be interspersed. Miss Mary Chambers, talented toe dancer of San Antonio, will have a special number; diminutive Mae Beth Barry will charm with a tap dance; and Miss Billie Merritt, personality girl, will give a novelty skit. George Brush, impersonator, will entertain with his imitations of famous movie stars, and the High School Choral Club will be presented in several numbers. The grand finale, which is to be a surprise, will be an amazing and beautiful climax to an entertaining program. Our only hint is that it will contain the only feminine models in the revue.

Mrs. George Brush is director. A small admission fee will be charged. See formal announcement elsewhere in this paper.

BOY SCOUTS HEAR DR. CARLTON

Dr. B. H. Carlton talked to the Boy Scouts at their regular meeting last Thursday night. He discussed treatment for wounds, bleeding, fractures, and snake bites; then answered questions on First Aid asked by the boys. Eighteen scouts enjoyed and profited by Dr. Carlton's talk.

Following the general assembly each patrol held fifteen minute meetings.

On Tuesday evening, thirteen scouts hiked to King's pasture and cooked supper. Burleigh Smith, Barnard Rothe, Leroy Crow and Martin Noonan passed tests. After dark, the scouts conducted an interesting campfire program consisting of songs, stunts, and a talk by Rev. R. W. Merrill.

B. T. S. PICNIC.

Early Saturday morning twenty-six members of the junior B. T. S. and their leader, Miss Emma Buss, mounted a wagon and some on their ponies, and went to the Lacy ranch to spend the day on the river. After romping through the woods and river several hours everyone enjoyed the picnic lunch which was served at twelve o'clock. The rest of the afternoon was spent in playing games and climbing hills. They all enjoyed the outing.

QUIHI NOTES.

Blessed be the God and Father of
our Lord Jesus Christ, which accord-
ing to his abundant mercy hath be-
totten us again unto a lively hope by
the resurrection of Jesus Christ from
the dead. I Peter 1:3.

Formerly, a prodigal, a stranger
to God, a knight-errant, full of folly
and distrust, slowly bleeding to death
with self-afflicted misery and hope-
lessness, lying by the wayside—and
now: a child of God, homeward bound
to a reconciled Father; the storms
are calmed, the main problems solv-
ed, an inspiring living hope for a
happy wind-up is daily kindled in a
peaceful soul. That's the wonderful
change; thus Peter and his compan-
ions of all ages are begotten again,
born, by Christ's resurrection,
manifesting the Father's abundant
mercy. No wonder his gratefulness
rises heavenward. Can you join
him, and for the same reason?

Mr. Arthur Grell is laid up with a
broken ankle-bone, an accident hap-
pened while he, to all appearances,
prevented a dangerous fire in that
part of town. Perhaps the affair
passed by entirely unnoticed, like so
many deeds of silent heroism. A
speedy recovery to you. Incidentally,
that might give you a greater chance
to admire the little newcomer in the
family.

Upon invitation, we had the pleas-
ure of giving a historical survey on
the life of George Washington to the
members of the P. T. A. at the Up-
per Quihi schoolhouse. A very grati-
fying number of people had turned
out for the occasion, and the various
numbers delivered by some of the
pupils, indeed, helped in large meas-
ure to emphasize the importance of
the great personality under discus-
sion.

Attention, members of Bethlehem
Bible class! A full attendance for
next Sunday is kindly requested.
Other prospects are heartily invited.
A detailed program for re-organiza-
tion and systematic study will be out-
lined at that time.

Preliminary notice for the Luther
League program on March 12. Decla-
rations are assigned to Marvin Grell
and Clarence Bohlen; selected read-
ings to Mesdames Arnold Lindeburg
and Geo. Saathoff; the vocal selec-
tions are in the hands of Misses Alma
Saathoff and Margaret Reitzer; the
choir selection and the instru-
mental number will be taken care of
by Mr. F. Boehle and Mr. Edwin
Grell, respectively. Provision for the
remaining numbers will be made as
usual, to assure a pleasant and up-
lifting evening. Our invitation goes
out to you.

STAR SPANGLED.

Gary Cooper, George Raft, Wynne
Gibson, Charles Laughton, Jack Oak-
ie, Frances Dee, Charlie Ruggles,
Alison Skipworth, W. C. Fields, Mary
Boland, Roscoe Karns, May Robson,
Gene Raymond, Lucien Littlefield
and Richard Bennett.

These fifteen stars, the greatest
number ever cast together in a single
picture, play the leading roles in "If
I Had a Million", drama centering
around an eccentric millionaire who
distributes his fortune among nine
persons whose names he has selected
at random from the city directory.
The picture comes Friday and Satur-
day to the Colonial Theatre.

Bennett plays the role of the mil-
lionaire. His beneficiaries are
Cooper, a rowdy marine; Miss Gib-
son, a girl of dubious past; Raft, a
forger; Raymond, a convicted murder-
er only a few hours from the elec-
tric chair; Laughton, underdog in an
office; Ruggles, clerk in a china
shop; Miss Skipworth, an ancient
vaudeville actress; and Miss Robson,
an inhabitant of a home for the aged.

Each of the stars is cast in the
type of role which won him original
fame. As the story offers a combi-
nation of the various types of drama,
so does the cast offer a combination
of the various types of characteriza-
tion—rich men, poor men, beggar-
men, thieves, and on down the line.

Warning
Don't be misled by false state-
ments. Calomel, salts, mineral wa-
ters, oils, laxative pills and drugs
have no effect whatever on the liver
or its production of bile. The truth
of this statement can be proved by
consulting the authoritative medical
textbooks published during the past
five years.

There are only two known sub-
stances which will actually stimulate
a torpid or sluggish liver to cleanse
and purify itself by increasing its
production of bile. Sargon Soft
Mass Pills contain both of these sub-
stances, and no other advertised
medicine on the American market
today does contain them.—(adv.)

PLAY AT SECO SCHOOL.

The junior members of Seco Community P. T. A. entertained a large and attentive audience with a comedy drama, "The Rose of El Monte", on Friday evening, February 24, at the schoolhouse. The stage was an appropriate background for the performance, its rock fence enclosing a ranch patio, and its tropical plants emphasizing the atmosphere of the West. The cast was as follows: Colonel Dumbarton, owner of El Monte—Hubert Lutz; Wong, his servant—Raymond Weynand; Miller Boone—Louis Lutz; Rosita—Mayme Rudinger; Jim Steele, ranch foreman—Leander Rudinger; Mrs. Goodwin—Agnes Rudinger; Darlene Goodwin—Margaret Lutz; Esteban—Randolph Rudinger; Ramona—Emma Rudinger; Gloria Downs—Beulah Rudinger; Pete Anderson—Arnold Weynand. Mr. Alfred Rudinger opened the play by singing a Mexican folk-song, "Reyes Ruiz", with guitar accompaniment; Miss Sara Rothe gave Wood's vocal solo "I Heard You Go By"; and Mr. Carl Rudinger delighted the audience with two of his

cowboy songs, "Strawberry Roan" and "Roll On, Little Doggies". The P. T. A. appreciates the co-operation of those taking part as well as the kind interest of the audience.

first semester of their freshman may do so by maintaining an average for the whole year equal to three A's and two B's. Freshman juniors are associate members.

The above clipping from the Texan is of interest to Hondo because she and Miss Marilee do girl. Miss Mary Lois Barnes, both trace their ancestry to the Great great grandparents, the George H. Harper and wife, who died on the Hondo in 1854, and at one time owned most of the on which this town now stands.

Another coincidence worthy note is that both young ladies their honors by each making five in their work.

RUPTURE

E. J. MEINHARDT OF CHICAGO HERE AGAIN

He will be at the Grand Hotel, San Antonio, Texas, Wednesday, March 8th, from 1:00 P. M. to 8 P. M. (day only).

He has been coming here many years. Thousands recommend him. Ask your neighbor. There is no cost for consulting him privately. Only men are invited.

CAUTION: Do not use trusses or plasters that often weaken the muscles, and do not submit to harmful injections or avoidable operations. Hundreds of Ruptures return after operations.

Rupture often causes stomach pains, backache, weakness and other complaints. Rupture is dangerous regardless of how small it is, as stricture can occur without warning. Hundreds of deaths from Rupture can be avoided.

Do not neglect to see him the above date. There is no charge for demonstration. The visit is for white people only. Chicago Office, Pure Oil Bldg.

Look who's on YOUR GAS BILL Again

Riding in on a norther of blizzard proportions, that "Rip-Snorting" old playfellow of snow and ice made history during his return visit last month. All previous low temperature records for the winter were broken. Early growths of plants and trees withered under his icy breath, as human beings sought the warmth and protection of heated buildings.

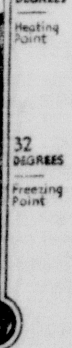

Gas heaters worked overtime during the February cold spell. The record of gas deliveries show that the demands made on your gas company reached even higher "peaks" than during the December cold wave. On the coldest days, the consumption of gas was many times as great as that of a day when no heat is needed. Naturally your gas bill covering this period will include the extra fuel

used because of the extreme weather.

The two meter reading dates stamped on your gas bill show the exact period for which the service charge is made. Please note the interval of time elapsing between the period when the gas was used, and the day your bill is received. To assist you in comparing the gas consumption with weather conditions for the period covered by your bill, the company maintains a daily temperature chart at each of its offices. This information is available to you at any time you call.

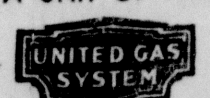

Down where the "Heating" Begins

Please bear in mind that 65° is the heating point on the thermometer. When temperatures drop below this point heat is used for comfort. If temperatures slip down 40 to 50 degrees below the heating point (as was the case during the cold spell from February 6th to 11th), there is an extra heavy demand for heat. All available heating equipment is usually kept burning full blast.

Southern Gas Utilities, Inc.

A UNIT OF THE

Poor Sleep Due To Gas In Upper Bowel

Poor sleep is caused by gas pressing heart and other organs. You can't get rid of this by just doctoring the stomach because most of the gas is in the UPPER bowel.

The simple German remedy, Adlerika, reaches BOTH upper and lower bowel, washing out poisons which cause gas, nervousness, bad sleep. Get Adlerika today; by tomorrow you feel the wonderful effect. You will say the day you read this was sure a lucky day for you. W. H. Windrow, Druggist.

Don't Follow the Crowd

Whenever prices start to climb, Most people think it's buying time; And they seldom want to sell Until prices fall pell-mell. This rule we would suggest to you: Never follow the crowd on through. The time to buy is on the low. When the crowd is buying you go slow. The Hondo State Bank has watched the trend— You cannot on the crowd depend.
